

Call for Research Proposals
The 20th Accounting History Symposium

Thursday 7th December 2023

ONLINE

Time: 6.00 pm (AEDT- Melbourne time)

Following the success of the 18th Accounting History Symposium held virtually at the end of 2022, and the 19th Accounting History Symposium, held in person earlier this year preceding the 2023 AFAANZ Conference, the Accounting History Special Interest Group (AHSIG) is pleased to announce the second symposium of the year 2023. The 20th Accounting History Symposium will be held **virtually on Thursday 7 December 2023**. The Symposium is a great opportunity for young and expert academics to present and discuss their planned or existing research projects to other accounting history academics. If you are interested in presenting your proposal or working papers at the event, you are invited to submit a **research proposal** (of no more than three pages, single-spaced) containing the following information:

1. Project (working) title
2. Background (or scenario for investigation)
3. Main research objective in one sentence
4. Concise key research question(s)
5. Research methodology
6. Period selection
7. Limitations of the study
8. Expected (original) contribution.

The due date for submission of research proposals is **Friday, 15 November 2023**. The proposals should be sent to giulia.leoni@unige.it and maryam.safari@rmit.edu.au

In addition to the presentations of research proposals relating to accounting history, a panel of scholars will be in attendance, discussing and/or providing feedback on the presentations of the participants. Registration for this event is free of charge.

We look forward to your participation at the **20th Accounting History Symposium**.

Giulia Leoni and Maryam Safari

AHSIG Chair and Co-Chair
